

Has your child tested positive for COVID-19?

If **YES** you need to inform the school as soon as possible

The school will need the following information to carry out a risk assessment of who may be a close contact:

Date of onset of COVID-19 symptoms

(including what symptoms they had)

Date of the test

Date of the result

(and evidence of the result/ID number)

Date your child was last in school

How do they get to school?

E.g. walk, cycle, car, public transport, school transport, taxi

If by car – do you car share with anyone else?

If walking – do they walk in with anyone else?

If public transport/school transport

– do they know who they sat near?

Please provide any additional information you may have as to pupils or staff your child may have been in contact with during this period.

Please note: The infectious period is 48 hours prior to the onset of symptoms (or date of the test if tested when asymptomatic).
