Dear Parents,

Learning Online

We have put together a list of websites that we subscribe to and others that offer free online resources. These include online game, books and printable resources.

Individual usernames and passwords for Mathletics, Reading Eggs, Google Classroom and spag.com have been sent in home previously (they will be sent home in learning packs). If you have difficulties in accessing learning from home please contact your class teacher. Please keep your usernames and passwords safe; it is often a good idea to stick them into the children's reading records.

Class teachers will place daily learning activities on google classroom and activities will be assigned on Mathletics. Learning packs will be sent home shortly. It will take a little while for everything to be in place, as the lockdown announcement was made late on Monday evening and we had no advance warning from the Dfe. There is an expectation that parents will support their children with learning at home. We will be in contact shortly to see how you are getting on.

Best wishes,
Longford Primary

BE SMART ONLINE

S SAFE Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe. 

M MEET Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk 

A ACCEPTING Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you. 

R RELIABLE You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found. 

T TELL Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or www.childline.org.uk 

BE SMART WITH A HEART Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
