Dear Parents,

We are currently using Tapestry, which is a secure online record keeping system for the children in Reception.

Tapestry allows you to log-in from home to access your child's Learning Journey. You will also be able to contribute to the records by uploading photos and comments, which can be included in your child's assessments. Occasionally, I will send Wow slips home, when I am looking for specific evidence, such as joining in with family customs and using technology.

At Longford, we only use your child's image in their Learning Journey, there will be no group photos included in any journals.

As Longford usually has an open door policy, I do not usually respond to comments, but as these are unusual times, I see Tapestry as an important contact between home and school, therefore I will be using this as a communication tool.

Please complete the section below, sign and return to school, so we can start using Tapestry for your child before their first day in school. It will allow you to log-in and see your child's photos and observations as soon as I have uploaded them.

Thank you for your support!

Sharon Cole
