Everyone concerned with your child's educational, social, moral, cultural and spiritual development must work together as a team so that the common commitment to providing the very best for each child can be realised. This Agreement sets down the responsibilities for those team members. Thank you everyone for working together to support the children.

The School will:	As parent/carer I/we will:	As a pupil, I will:
Value and celebrate every child, respect them as individuals and their families.	Value and support the school, respecting the people within its community, contacting the school if any concerns arise.	Be a good friend, respect others and be helpful. Value the school and the opportunities it can give me.
Encourage self-belief, respect for others, resilience, aspiration and positive attitudes.	Encourage my child to put effort into their learning by praising them when they try.	Believe that if I put in enough effort then I can achieve anything.
Encourage and support your child to enjoy school life and to develop the skills of independent learning, that are life-long.	Make sure my child attends school on time and has good attendance, informing the school promptly if my child is absent and explain the reason.	Come to school every day, ready to learn. Remember to do my homework and bring my P.E kit to school.
Provide a safe and positive learning environment, in which children are able to achieve their potential, keeping high expectations regarding behaviour and conduct. The school will follow government guidance regarding Covid and share information with parents.	Support the school rules and code of behaviour, making sure my child is in the correct uniform and has the equipment needed for school, and lets the school know if there is an issue with this.	Follow the rules of the school, so that I am safe and well behaved, and to help keep other children safe. I will listen to and follow instructions.
Welcome and support you as parents and families, working together to support your children.	Let the school know if there are any concerns or issues at home which are affecting my child, so that we can provide the necessary support-not discussing issues regarding my child, other children, the staff or the school in general in public spaces, such as social networking sites, e.g Facebook. I/We will monitor my child's use of social media, including phones.	Tell a member of staff if there is something that might be worrying me, either at school or outside of school. I will leave my mobile phone at home.
Set high expectations, regularly assessing your child's attainment and progress, and report to you on this.	Encourage and support my child in their learning by reading with them regularly, talking about their school day and attending consultations and other events at the school.	Always try my best and never give up. Ask for help if I need it. Try to help others learn too!
Provide enriching experiences for your child through our whole school Christian ethos, learning curriculum, Worship, trips, visits, use of guest speakers, remote learning and other educational opportunities	I/we will take responsibility and supervise my child's use of social media, including use of mobile phone.
