

What did Brunel do for Great Britain?

What makes Brunel a 'significant' individual for us today?

Engage: Share photos of significant people in History (inventors, achievers, scientists). Children match pictures to the definition

What do we mean by significant?

Who was Isambard Kingdom Brunel?

What structures in Britain did Brunel design?

What does my structure look like?

What materials will I choose for my design?

How can I strengthen my structure or make it more stable?

How could my structure be improved next time?

Challenge: Make a classroom display of Brunel sharing his achievements
